## artsPeak Arts Festival Deadlines Approaching for artZone, artTour and artFair Artist Participants

The Canmore artsPeak Arts Festival is a weekend long festival celebrating the arts in Canmore, Alberta, Canada. artsPeak offers festival guests a wonderful and inspiring array of venues and activities to see and experience and most artsPeak venues and presentations will be free to the public.

Created specifically for artists who work out of their studios, artsPeak has the artTour. artTour offers a unique opportunity for Canmore artists to showcase their business and current works to locals and visitors who enjoy meeting the artist behind the creation, while at the same time looking for a work that matches their tastes and interests.

With a growing number of galleries, showrooms and studios outside the downtown area artists who participate become destinations in an art adventure treasure hunt for visitors keen to see a variety of work. artTour is an opportunities not to be missed as all venues are promoted through the artsPeak festival program which includes maps and directions on how to find the many different venues located throughout town. Registration deadline is April 01. For more information, contact Jocelyn Asnong, [joceyleroy@hotmail.com](mailto:joceyleroy@hotmail.com)

For artists and artisans who work out of their home artsPeak offers artFair. artFair is just that, an art fair featuring one-of-a-kind art works, and which offers artists and artisans an opportunity to show and sell their creations through the course of the weekend. artFair is always a popular stop with festival visitors and will be held at the Policeman's Creek Drop-in Centre located in the downtown core. Registration deadline is April 30. For more information, contact Pricilla Janes, [p.bjanes@telus.net](mailto:p.bjanes@telus.net)

As much as art is an individual experience it can also be a shared experience and so the artsPeak Arts Festival created artZone. Here artists take on an interactive role by providing an introductory hands-on opportunity to festival visitors through short session workshops meant to give participants and on lookers a simple and social introduction to the arts. Artists interested in presenting a workshop should contact Wanda Ellerbeck, at [grottod@telusplanet.net](mailto:grottod@telusplanet.net)

Inspire, Create, celebrate is artsPeak's motto and the vision behind the festival. artsPeak

invites all artists, both professional and amateur to get involved and be a part of this creative and adventurous arts festival.
